"WITH STANLEY IN AFRICA"

Episode 12,

"The Forest of Flame"

Jack crawls out from under the elephant and ~~unscathed~~ flees
closely followed
with Nadia. ~~Rescued~~ by the Arabs, they effect their escape
over a deep abyss by means of a creeper vine which they de-
stroy in time to foil the oncoming pursuers. Meanwhile
Stanley, far in the interior, has stopped to rest at the
camp of a friendly tribe. Livingstone, returning from
Ujiji, is busily engaged in gathering material for his
sensational expose of the Slave Trade.

Cameron and Hassan leave Nadia concealed in the jungle
and seek food. They steal up on an Arab encampment and make
off with two of the guns and some food. The ~~superstitious~~
superstitious Arabs become frightened at the mysterious dis-
appearance, declare the camp site bewitched and set fire to it.
Jack and Hassan vainly seek Nadia who has become hemmed in by
the approaching flames.
